

PSYCHOACOUSTIC

# AMPLIFY THE EXPERIENCE

## **The Next Level in Visual and Audio Presentation**

Founded from modest beginnings, the name Psychoacoustic has quickly become synonymous with audiovisual and atmospheric set ups of the highest quality and reliability.

## THE VISION

To create visionary audiovisual and atmospheric concepts that transcend the expected; innovating beyond conventional usage of light and sound to produce truly integrated sensory experiences.

## THE MISSION

To deliver engaging solutions while placing great emphasis on our commitment to quality, creativity and expert delivery. We take accessibility and speed to new heights; with our team members always available for consultation round the clock to guarantee the timely delivery of solutions without compromise on quality.

## Customized solutions for optimal impact

Every event demands a specific approach; a unique set of elements that blend seamlessly to fashion a customised experience befitting of the occasion. The following pages provide a pictorial journey of some of the many customisable solutions you can utilise.
